## God Created People

**BASED ON GENESIS 2:4-24**

**WEEKLY VERSE:** I am wonderfully made. *Psalms 139:14*

**LIFE POINT:** God made people.

Use the words in **bold** to tell the Bible story to younger preschoolers.

Use all sentences for older preschoolers.

**God made people. He made the man first** from the dust of the ground. He gave life to the man by breathing into him.

**God planted a garden** in Eden. **He placed the man in the garden to work in it and take care of it. The man named all of the birds and animals.** But none of the animals could help the man.

**God** decided the man should not be alone, so He **made a woman. She became Adam's helper. God made the man and woman to take care of all the things He had made.** He gave the people fruit trees and plants to eat. **The man and woman lived together in the garden.**

**God made people** different from the animals. God made them **able to think and make choices. God named the man Adam. Adam named the woman Eve.**

### THE BIBLE MEETS LIFE

Today your child learned that God made people. God created people differently than all His other creation. God formed the people with His hands. People were made in God's image.

### LIVE IT OUT

Help your child make a list of all the things he can do. Comment that God made him special and able to do many things. If you have a younger preschooler, comment as he is learning new things that God made him able to learn.

### LEVEL OF BIBLICAL LEARNING

God made people different from the other things He made.
